Frequently asked questions

Q: Who is responsible for the certification?

A: The nopCommerce team designed this course. We condensed our experience of developing nopCommerce to this test.

Q: Can I retake the exam?

A: Yes, anytime with an additional fee of 100$.

Q: Can I reference the official guides during the exam?

A: Sure, it is an open book test! But be warned that you have limited time to complete the test.

Q: Can I contest the results of the test?

A: No, the test is designed to receive exact answers and is carefully constructed by the nopCommerce team.

Q: Can I disclose the questions from the test?

A: No, the disclosure of the questions will result with the nullification of exam results of the person, who disclosed the questions.

Q: Can I use the help of others to complete the test?

A: No, doing so may lead to the nullification of exam results.

Q: How long is my certification valid?

A: There is no expiration on a certification.
