nopCommerce – the best **free** shopping cart! nopCommerce is an **open-source** solution. A solution with comprehensive features that is easy to use for **new online businesses**, yet powerful enough for the most demanding ecommerce expert. It's a secure, scalable and **extendable** ecommerce platform.

nopCommerce is a fully customizable shopping cart. It's stable and highly usable. nopCommerce is an open source ecommerce solution that is ASP.NET 4.5 (MVC 4) based with a MS SQL 2005 (or higher) backend database. Our easy-to-use shopping cart solution is uniquely suited for merchants that have outgrown existing systems, and may be hosted with your current web host or our hosting partners. It has everything you need to get started in selling physical and digital goods over the internet.
